

### **National Anti Snaring Petition**

To the Honourable the Commons of the United Kingdom of Great Britain and Northern Ireland in Parliament assembled. The humble petition of the citizens of the United Kingdom sheweth:-

1. That the use of snares to trap animals is indiscriminate.
2. That the use of snares causes great suffering and stress to all animals.

WHEREFORE your petitioners pray that your Honourable House will take such measures as lie within your power:

1. To abolish **all** snares.
2. To protect **all** animals from inhumane forms of trapping.

AND your petitioners, as in duty bound will ever pray etc.
